CITY OF REDMOND

POSITION DESCRIPTION

POSITION TITLE: Firefighter / Paramedic - LATERAL
DEPARTMENT: Fire
FLSA STATUS: Non-Exempt
SALARY GRADE: Grade 13
EMPLOYEE GROUP: Association / Represented

PURPOSE OF POSITION:

To perform firefighting, emergency medical services and fire prevention duties including preventing, combating and extinguishing fires, and saving and protecting human life and property.

To play an essential role in the process of fulfilling Redmond Fire & Rescue's Vision and Mission by maintaining a professional level of training, education, skills and attitude.

ESSENTIAL JOB FUNCTIONS:

Respond to emergencies with assigned company to extinguish and control fires; lay and connect hose lines, hold nozzles and direct water streams; utilize chemical extinguishers, bars, hooks, lines and other equipment; raise ladders; ventilate fire to release heat and smoke; overhaul fire scene to prevent rekindling; perform rescue work and render emergency medical aid; perform salvage and property conservation work.

Respond to medical emergency scenes and provide patient care functions, including, but not limited to: the extrication of patients, performing triage, gathering patient information, performing patient exams, formulating treatment plans, rendering treatment consistent with patient care protocols, directing medical activities at multiple patient scenes or mass casualty incidents, and coordinating medical transportation of the sick and injured.

Perform medically related tasks such as: replenishing medical supplies, and ensuring operational readiness of self and equipment.

Participate in the preparation and completion of pre-fire planning surveys of commercial and residential buildings and complexes, and gather information necessary for the preparation of pre-fire plans.

Perform preventative maintenance and inspections of fire apparatus, fire hydrants, fire hose and other fire department equipment. Drive fire and medical apparatus and other fire department vehicles; operate fire pumps and aerial devices.

Participate in all required training sessions, including, but not limited to, live fire drills, performance evaluation drills, on-going skills maintenance practice and training, etc.

Write accurate and complete reports and enter related data into computerized databases.

Provide assistance, training and instruction to paid and volunteer firefighters, students, interns and the public on subjects relating to firefighting and emergency medical services including CPR, first aid, advanced life support techniques and other fire and life safety subjects.

Serve the municipal airport as an Aircraft Rescue Firefighter. Respond to emergencies involving hazardous materials.

Maintains fire department equipment and grounds including routine housekeeping and maintenance duties, and grounds maintenance

Provides fire station tours and information to visitors; assists public by answering questions and addressing concerns.

May serve on various committees. Performs related work as required.

The omission of specific statements of duties does not exclude them from the position if the work is similar, related or a logical assignment to the position.

JOB QUALIFICATION REQUIREMENTS

Mandatory Requirements for a Lateral Designation:

High school diploma or GED; Possess and maintain State of Oregon EMT/Paramedic Certification.

Minimum of three (3) years of career service in a municipal or special district fire department. NFPA FFII certification, or equivalent.

The ideal candidate will have a strong EMS background; have and maintain a high level of physical fitness and the desire to assist RF&R achieve our mission.

Special Requirements/Licenses:

Possession of, or required to obtain a valid Oregon drivers' license within 30 days of hire. Must have a safe driving record. Must be insurable under City's insurance provider.

Desirable Requirements:

Associates degree in Fire Science or Emergency Medical Services; NFPA Pumper Operator, NFPA Instructor I, DPSST Wild land Interface Firefighter certification

SUPERVISION RECEIVED:

Work under the direct supervision of an officer who assigns work details and reviews work for conformance to policy; receive indirect medical program supervision from the EMS Division chief and the Physician Advisor.

SUPERVISORY RESPONSIBILITIES:

Supervision is not a normal responsibility, but the incumbent may be assigned duties that require providing some supervision. Examples are: medical triage, treatment, and transportation of multiple patients; directing lesser-certified personnel at the scene of a medical emergency when tasks are directly related to patient care.

PHYSICAL DEMANDS:

The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential job functions.

While performing the duties of this job, the employee is frequently required to stand; walk; use hands to finger, handle, or operate objects, tools, or controls; and reach with hands and arms. The employee is occasionally required to sit; climb or balance; stoop, kneel, crouch, or crawl; talk or hear; and smell. Strenuous physical exertion is usually necessary.

The employee must frequently lift and/or move up to 30 pounds and occasionally lift and/or move up to 200 pounds (while wearing protective clothing and SCBA). Specific vision abilities required by this job include close vision, distance vision, color vision, peripheral vision, depth perception, and the ability to adjust focus.

TOOLS AND EQUIPMENT USED:

Fire apparatus, fire hydrants, fire hose, fire pumps, aerial devices, computer, including word processing, data base and Internet; calculator, telephone, two-way radio, pagers, copy machine and fax machine. This position requires use of City vehicles and technical emergency response equipment.

WORK ENVIRONMENT:

The work environment characteristics described here are representative of those an employee encounters while performing the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential job functions.

Work is performed in office, vehicle and outdoor settings in all weather conditions, including temperature extremes, during day and night hours. Work is often performed at emergencies, under stressful conditions. The employee is exposed to hazards associated with fighting fires and rendering emergency medical assistance during emergencies involving smoke, noxious odors and hazardous material

While performing the duties of this job, the employee regularly works in outside weather conditions. The employee occasionally works near moving mechanical parts, is placed in high, precarious places and is occasionally exposed to wet and/or humid conditions, fumes or airborne particles, and may work with toxic or caustic chemicals. May be placed in an environment where there is a risk of electrical shock, and may experience vibration. The employee may also be placed in high heat environments. Will also work in a station office environment.

The noise level in the office environment is quiet and usually moderate in the field environment. Except during certain firefighting or rescue activities when noise levels may be high.

Employees in this position are required to work in areas or around equipment which may meet or exceed the OSHA Hearing Conservation sound level. Employees in this position will participate in the City of Redmond Hearing Conservation Program.

This description covers the most significant essential and auxiliary duties performed but does not include other occasional work which may be similar, related to, or logical assignment to the position.

The job description does not constitute an employment agreement between the employer and the employee and is subject to change by the employer as the needs of the employer and requirements of the job change.
