

ADDENDUM No. 1
TO CONTRACT DOCUMENTS FOR THE
SPRING 2010 ASPHALT OVERLAY PROJECT
Project No. TR1005

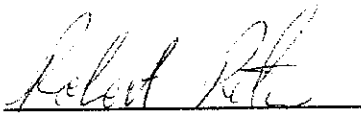

TO: ALL PLAN HOLDERS

The following clarifications, additions, and/or deletions are hereby made part of the Contract Documents for the described project:

1. SECTION 211.1.00 ASPHALT CONCRETE PAVEMENT:

The specification for Hot Mixed Asphalt Concrete Pavement is revised to read:

Asphalt Concrete shall be level 2 HMAC, 3/8" or 1/2" Dense, with not more than 20% Reclaimed Asphalt Pavement (RAP) material, as specified in the Oregon Standard Specifications for Construction, 2002 Edition, Section 00744. Asphalt Cement shall be PG 64-28.
